## Program putovanja:

Croatia incoming, city tour Zagreb

Feeling creative and ready for something completely new? Join us on this unique tour of Zagreb! This truly is what off the beaten track means.

Your guide Petra, an academic painter, will take you around Zagreb major sights, yet this time with no stories and no explanations, but rather encouraging you to release creativity in yourself and, without much thought, sketch the major sights of our city. For this purpose we will make a few stops and enjoy together working in the open air atelier. Of course, you will take your sketches with you, to remind you later of the great fun you experienced drawing them!

You don't have to worry about bringing any materials because we provide you with a sketchbook and drawing accessories. All you need to bring along is your sense of adventure and good mood and your will to have a plunge into artistic creativity.

Learn how to sketch in two hours!
